A Note From Pastor Andrew

This week there are no big words, there are no long paragraphs, instead all I want you to do is consider this word, change.

What is change to you?

What do you want to see change in life, church, work, etc...?

What are you prepared to do to make change happen, personally?

I say to you briefly, we need your help here at church, CTK, to make change happen. As I've said before, big decisions need to be made and we must do it together. Yes, we are individuals, but how will we each come together as the one body to see CTK into the future? The answer lies with you and I will do my best to be your pastor through it all.

Thank you and may God Bless,

Pastor Andrew

If you are currently giving on a weekly basis, you will no longer need to write out 52 checks a year or prepare 52 envelopes. And, when travel, illness or other circumstances prevent you from attending services, this program will allow your weekly offerings to continue on an uninterrupted basis.
